

## CURRICULUM VITAE

### *Short Biography*

Dr. Ananda completed his undergraduate medical training at Madras Medical College, India in 1995. He started his career in general surgery and subsequently developed a keen interest in Plastic Surgery. He pursued his Master's degree in Plastic Surgery from Universiti Sains Malaysia and graduated in 2005. He provided his service to the university hospital (USM) and treated a variety of plastic and reconstructive surgery cases. His interest in burns and tissue engineering instigated him to conduct various research projects in the field of tissue engineering for treating burn injuries. He was instrumental in establishing the cultured epidermal autograft for major burn injury victims. He has presented his research findings in various international conferences. He has also won several awards and is well recognized for his contribution in burn research and tissue engineering.

He developed a passion and keen interest in lasers for treating various cosmetic problems with a special interest in facial resurfacing for acne scars. In 2009, he successfully completed a one-year fellowship in Burns, Laser and Aesthetic Surgery from the Chang Gung Memorial Hospital (Taiwan). He is one of the very few plastic surgeons in Malaysia to have completed a one-year fellowship program in Burns, Laser, and Aesthetic Surgery. Having served in the university hospital, he has vast experience in treating cleft lip and palate children and takes interest in bringing a smile on their face. He has successfully treated several major burn injuries and has good interdisciplinary relations with his peers. He has performed several reconstructive surgeries for breast cancer patients and has a strong belief that breast reconstruction should be given high priority for those undergoing mastectomy. He has a passion for treating chronic wounds and has successfully treated several long-standing leg ulcers with modern wound dressings and advanced wound care devices. His expertise also includes liposuction, fat transfer, body contouring (abdominoplasty, arm lift, thigh lift), facial cosmetic surgery (facelift, blepharoplasty, rhinoplasty), breast augmentation and reduction.

He is currently a resident consultant at **Tropicana Medical Centre**, Kota Damansara, Selangor and also visits the following hospitals:

- 1) **Prince Court Medical Centre, Kuala Lumpur,**

- 2) **Manipal Hospital, Klang,**
- 3) **Sri Kota Specialist Hospital, Klang.**

***Education and Training :***

1. MBBS, Chennai, India , 1995.
2. Master in Surgery ( Plastic Surgery ) , USM, Kelantan, Malaysia, 2005.
3. Fellowship in Burns, Reconstructive, Laser & Cosmetic Surgery, Taiwan, 2010.

***Professional Membership:***

American Society of Plastic Surgeons ( ASPS )  
International Society of Aesthetic Plastic Surgery ( ISAPS )  
American Society for Laser Medicine & Surgery ( ASLMS )  
International Society of Burn Injuries ( ISBI )  
Asian Association of Hair Restoration Surgeons ( AAHRS )  
Asia Pacific Cranio-Maxillo Facial Foundation ( AOCMF )  
Malaysian Society of Plastic & Reconstructive Surgery ( MSPRS )  
Malaysian Medical Association ( MMA )  
National Specialist Registry (Malaysia)  
Academy of Medicine (Malaysia)

***Academic Affiliations:***

EDITORIAL MEMBER –  
JOURNAL OF PROCEDURAL DERMATOLOGY

***Contact Details:***

Website: [www.cosmeticartistry.com.my](http://www.cosmeticartistry.com.my)

Phone: +6 012 9878422

***Medical Registration details:***

MMC Registration No: 32724

NSR Registration No: 127364 (Plastic Surgery)

***Awards and Recognition:***

**1. YOUNG INVESTIGATORS AWARD**

5th World Congress on Tissue Banking, 2nd – 6th June 2008,  
Renaissance Hotel, Kuala Lumpur, Malaysia.

**2. AWARD FOR BEST NON-EUROPEAN UNION ABSTRACT**

European Burns Association Congress,  
2-5th September 2009, Lausanne, Switzerland.

***Invited Speaker:***

1. Advances in Burn Management,

APSICON, 46th Annual conference of Association of Plastic Surgeons of India, 7th – 11th  
September 2011, Ganga Hospital, Coimbatore, India.

2. Lipoabdominoplasty,

Malaysian Society of Plastic, Reconstructive Surgery (MSPRS),

Annual Scientific Meeting, 18th – 20th May 2017, Arwana Resort, Pulau Perhentian,  
Malaysia.

3. Fat transfer to the breast using BEAULI technique,

BEAULI ASIA, 21st October 2017,

Apex Medical Centre, Ploenchit, Bangkok, Thailand.
