Short Biography

Dr Kong Chee Kwan is a NSR-certified Consultant Plastic and Reconstructive Surgeon in UMMC and UMSC. He was a general surgeon in Ministry of Health before joining UM in 2011 as a senior lecturer. He then further undertook fellowship and sub-speciality training in plastic surgery in several recognized centres. He then passed his Master of Plastic Surgery specialist exam at USM and accepted into the register of plastic surgeons of NSR.

His involvement in the medical community includes being active member in the Cleft Lip and Palate Association of Malaysia (CLAPAM) and Malaysian Medical Association (MMA). He is also a committee member of the Malaysian Society of Plastic and Reconstructive Surgeons (MSPRS) where he is in-charge of organizing academic and hands-on courses. He is often invited to give lectures and present on latest plastic surgery topics at both national and international scientific meetings. Dr Kong has also helped trained many young doctors as well as surgeons in the country since he became a lecturer in university hospital.
