Short CV for website

Dr S. Fatimah M.J received her undergraduate training from Universitas Padjadjaran Bandung, Indonesia and her postgraduate qualifications in Masters of Surgery (Plastic Surgery) from Universiti Sains Malaysia. She is currently worked as a Plastic Surgeon and a Lecturer in Hospital Universiti Sains Malaysia (HUSM), Kelantan. She is also the current burn unit coordinator of HUSM till date. In 2017 she went to Alfred Hospital, Melbourne for a clinical attachment in burn unit under Dr Heather Cleland supervision and went to Breast Academy, Queensland, Australia under Dr Craig Layt. She was appointed as assistant secretary of Malaysian Society of Burn Injury (MSBI). In view of her special interest in burn surgery and research, her research thesis was presented in two prestigious burn congress which was the 17th European Burn Association (EBA) Congress and the Australian and New Zealand Burn

Association (ANZBA) 41st Annual Scientific Meeting. She was also nominated for ANZBA Congress sponsorship. The same research had won her 1st prize in paper presentation in the Malaysian Society of Plastic and Reconstructive Surgery (MSPRS). Back in her days of serving under Ministry of Health she was once awarded for excellent service awards. Besides burn surgery, she has also special interest in body contouring, breast and tissue engineering.
