INVITATION TO EXHIBIT AT THE MSPRS MEETING 2024

Dear valued industry partner,

We are excited to invite you to join the MSPRS Meeting 2024 this November 22nd to 24th. Following the success of the MSPRS Meeting 2022 in Sheraton KL and The Business of Plastic Surgery Meeting 2023 in Majestic KL, we are proud to share with you the details of our upcoming 2024 meeting. To those who have been with us through the years, we thank you for your continuous support. And to those who are joining us for the first time, we look forward to working with you towards a long lasting partnership.

This year, we have made several changes to enhance the experience for both exhibitors and delegates at the meeting:

- 1. Larger booth space with shell scheme providing a more conducive space to exhibit products.**
- 2. Increased number of participants providing higher foot traffic to exhibition booths.**
- 3. Change in layout of booths to maximise exposure and capture potential customers.**
- 4. Tiered sponsorship packages to fit various needs of the industry.**
- 5. Increased opportunity for visibility using various modalities.**
- 6. Conference runs for three days allowing more time for interaction with participants.**
- 7. Complimentary buffet lunch at the Contango, Majestic Hotel.**

We hope that you will take up this golden opportunity to showcase your products to the plastic surgery fraternity.

Welcome onboard to the MSPRS Meeting 2024!
